

ERA-Interim (2016)

ERA-Interim (1979-2016 climatology)  
...to show that climatology won't work for this

Simple accumulation (note y-axis)

Add aeolian transport  
(no snow lock-up, trapping efficiency = lead fraction)Add aeolian transport  
(2-day snow lock-up, trapping efficiency = 100%)

Add sublimation

Add snow-ice formation ( $h_i = 0.6$ )Add snow-ice formation ( $h_i = 0.5$ )Add snow-ice formation ( $h_i = 0.4$ )
